

Welcome to the Broads Society Newsletter
for Town & Parish Councils & Councillors

Registered Charity Number 1078434
Special Issue No 4 - 21st September 2019

The Government has now published the Gover Review
concerning the future of National Parks.

The Broads Society believe it is important that the full report is circulated to all of the Towns & Parishes plus the Councillors representing the areas which may be affected by the proposed changes. (This includes County & District Councils together with Norwich City Council)

The entire documents are here.

We would welcome any comments on the proposals which would help us to formulate our response to any further consultation for future stages. Please send your comments to the email address below.

We also urge all of those likely to be affected to submit responses both as Councils, and if appropriate as individuals, because the outcome of this report will form the future of all English National Parks including The Broads for the foreseeable future.

We are quite happy for this Newsletter to be freely distributed

Please let us know if you find the newsletter useful, or how they could be improved to meet your needs.

Please note that if your community has an event or function indoors or out we would be pleased to come along and provide information on what we do and to welcome new members. We will be pleased to send a complementary copy of Harnser our quarterly magazine to Towns Parishes or individuals by emailing p.smith40@outlook.com
